

## Virginia Green Event Profile:

# Safe Driving Awards Luncheon

City Park (Greenbrier Parkway)

Friday, October 16

*Virginia Green* is the Commonwealth of Virginia's campaign to promote environmentally-friendly practices in all aspects of Virginia's tourism industry. *Virginia Green Events* have been thoughtfully planned and designed to minimize the event's impacts on the environment. This event has met the established "core activities" for *Green Events* and has committed to communicate its activities to its participants. Below is a list of this event's "green" activities that participants can expect.

### Safe Driving Awards Luncheon

"This is an event to recognize City Public Works employees who have maintained a safe driving record on the job."

**Green Statement:** "We all make a carbon footprint on this earth; it is everyone's responsibility to be as "green" as possible!"

### CORE ACTIVITIES for Green Events

☑ This symbol indicates a required activity for Virginia Green Events. Participants self-certify that these activities are in place and they provide additional specifics on other activities.

☑ **Recycling.** Events must provide recycling for its participants. Recycling should be highly visible and made available to the public with clear signage. The organizers of this event pledge that they provide recycling for:

- Aluminum cans, plastic bottles

☑ **Minimization of disposable food service products.** Events are required to minimize the use of disposable food service products and maximize the use of food service products that are recyclable or compostable. When disposable food service items are used, events are encouraged to use products that are made from bio-based or renewable resources, and to provide for the collection / recycling/ composting of food service items disposed of at the event. The organizers of this event pledge that:

- Use disposable foodservice items that are made with recycled content
- Use disposable foodservice items that are recyclable (in your area!)

☑ **Printed Materials.** Recycled-content, soy-based inks, and 2-sided copies -- and quantities should be minimized whenever possible! The organizers of this event pledge that they:

- Purchase/use paper products with 30% or higher recycled-content

☑ **Waste Reduction.** Event planners should make a general commitment to reduce the amount of waste generated by their event. The organizers of this event pledge that they:

- Chose a location/venue that shares a similar commitment to reducing its environmental impacts and include green specifics in contracting

#### *Food service*

- Provide condiments, cream and sugar, etc. in bulk

- Avoid box lunches and serve trays/platters of food instead  
*Logistics*
- Encourage the use of mass-transit and/or carpooling to the event
- Provide for recycling of boxes and other set-up wastes

☒ **Green Signage.** Event planners must commit to tell their participants about how green the event is. Event signage should include the Virginia Green logo and list all “green activities” practiced in the planning and operation of the event. The organizers of this event pledge that they:

- Have a green event section on our event’s webpage highlighting all of our green activities
- Use the Virginia Green logo on signs and on recycling containers
